Subject Grant for purchase of magic lantern slides for health Propaganda work.

DO

The Govt. have not in the past given any grant to local bodies for health propaganda work. The D.H.Bd can get the necessary slides from the Madras Health Council or the Health Propaganda Board for temporary use, and purchase the new slides next year for permanent use.

2 The question of giving a grant to the Madras Health Council is separately under consideration. In view of the decision to finance only the central association the grant applied for may be refused. A draft order is submitted.
